A focus on sport, physical activity and recreation

Partnerships and Networking

This infographic describes findings from the Canadian Fitness and Lifestyle Research Institute's 2020-2021 *Sport Organizations Survey* and includes perspectives from national, provincial/territorial, and community level sport organizations. This infographic will focus on the partnerships and networking between sport organizations and other organizations to support the development and delivery of sport programming and facilities.

Percentage of sport organizations indicating they work with the following organizations/agencies:

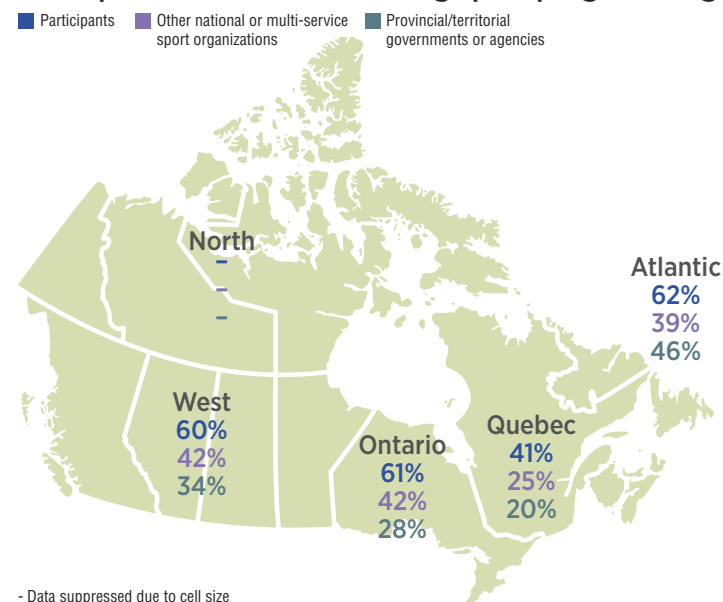

Percentage of sport organizations that partner with others in the following actions*

*that agreed to a great extent

Regional differences in partnerships for the development of new and existing sport programming
