A focus on sport, physical activity and recreation

Sport Programming

This infographic describes findings from the Canadian Fitness and Lifestyle Research Institute's 2020-2021 *Sport Organization Survey*, and includes perspectives from national, provincial/territorial, and community level sport organizations. This infographic will focus on the perceptions of sport administrators regarding sport programming available through their organizations.

Sport programming initiatives

■ To a great extent ■ To some extent ■ Not at all

Ensure quality standards for coaches/officials

Develop resources for coaches/officials

Deliver leadership training resources
